

Attorney Docket Number: 410391

REMARKS

Applicants have amended the specification to amend the filing date of the provisional application from which the present, nonprovisional application claims priority. The amended date corresponds to the August 2, 2002 "date in" written on the Express Mail Label of the provisional application, although the application was actually filed on August 1, 2002, as shown by the official U.S. Postal Service date stamp (also appearing on the Express Mail Label). No new matter has been added to the specification with this amendment.

Applicants believe no fees are currently due; however, if any fee is deemed necessary in connection with his preliminary amendment, the Commissioner is hereby authorized to charge Deposit Account 12-0600.

Respectfully submitted:

Date: 12 Nov 2003
